

UNITED STATES OF AMERICA
FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON 25, D. C.

Midwest Radio-Television,
Inc.
Radio Station W C C O
50 South Ninth Street
Minneapolis 2, Minnesota

NATIONAL DEFENSE EMERGENCY AUTHORIZATION

RENEWAL

Under Section 2.407 of the Commission's Rules, the Standard Broadcast Station described below may be used and operated for the purpose of participating in the Control of Electromagnetic Radiation project (CONELRAD), in accordance with the requirements hereinafter set forth, and the CONELRAD Rules and Regulations, Subpart G of Part 3 of the Commission's Rules.

Call Letters: W C C O

Located at: Minneapolis, Minnesota

Licensee: MIDWEST RADIO-TELEVISION, INC.

Frequency: 640 kc.

Effective radiated power: Not in excess of 10KW

Station identification: No station identification shall be used unless specifically authorized by the Commission.

Term of authorization: From the date of issuance shown below until the expiration date of the currently outstanding regular station license of the station, Provided, however, that this authorization may be changed or cancelled by the Commission at any time without the necessity of a hearing if in the judgment of the Commission such change or cancellation is necessary.

Licensed operator requirements: The licensed operator requirements applicable to operation of the station under its regular station license shall apply to operation under this authorization.

Date of issuance: March 11, 1959
Renewal:

Mary Jane Morris

Mary Jane Morris,
Secretary.
