

**Matthew R Poff** Radio broadcasting history

9 hrs ·

Elliott Jenkins, left, and Thorne Donnelly, right, are the original owners of WDAP, the predecessor to WGN radio, Chicago. Jenkins and Donnelly are at their transmitter in the Wrigley Building in 1922. This 50 watt transmitter was built up from component parts by station engineers and was moved over to the Drake Hotel at the beginning of 1923. From a WGN broadcast.
